

## Patent Claims

1. Use of the compound of the formula (I)

its metal salts or acid addition compounds as a microbicide for the protection of industrial materials.

2. Use according to Claim 1, characterised in that the industrial material to be protected is wood or timber-derived products.

3. Microbicidal compositions for the protection of industrial materials, containing a compound of the formula (I) according to Claim 1 or its metal salts or acid addition compounds.

4. Composition according to Claim 3, characterised in that it contains, as an additional component, at least one other antimicrobially active compound, fungicide and/or other active compound for broadening the spectrum of action or for achieving specific effects.

5. Compositions according to Claim 4, characterised in

that they contain at least one insecticide.

6. Method of protecting industrial materials, characterised in that the industrial materials are treated with a compound of the formula (I) according to Claim 1.
